We have audited the accompanying standalone financial statements of **BHARAT NIDHI LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31st, 2025, and the Statement of Profit and Loss, Statement of Cash Flows for the year ended on that date, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Companies Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounts) Rules, 2014 as amended, and other accounting principles generally accepted in India, of the state of the affairs of the Company as at 31st March, 2025 and its profit and the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. We have obtained all other information prior to the date of this auditors' report. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material

misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the

Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure 'B' referred to under the heading "Report on other Legal and Regulatory Requirements" to our Independent Auditor's Report of even date on the Standalone Financial Statements for the year ended March 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Bharat Nidhi Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

BHARAT NIDHI LIMITED

Notes to the Financial Statements for the year ended March 31, 2025

Note - 1: Significant Accounting Policies**a. Basis of Preparation of Financial Statements**

The Financial Statements of the Company have been prepared under the historical cost convention on accrual basis, unless stated otherwise hereinafter, and in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). Pursuant to Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Account) Rules, 2014, the existing Accounting Standards as notified in the Companies (Accounting Standards) Rules, 2006, as amended from time to time, have been adopted by the Company and disclosures are made in accordance with the requirement of Schedule III of the Companies Act, 2013 as referred under section 129(1) of the Companies Act, 2013. The Accounting Policies have been consistently applied by the Company and are consistent with those used in the previous year.

b. Use of Estimates

The preparation of Financial Statements in conformity with Indian GAAP requires management to make judgments, estimates, and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of financial statements and the result of operation during the periods.

Actual results could vary from these estimates; estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate change in estimates is made as and when management becomes aware of the changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods. The effect of material changes is disclosed in the notes to accounts.

c. Revenue Recognition

Income is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists on realization of revenue at the time of accrual, underlying revenue is not recognized to that extent.

Income from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer.

Dividend income from investments in the shares of companies and Mutual Fund units is recognized as and when the Company becomes entitled to it i.e. after the declaration of dividend by the Investee Company / Mutual Fund. Interest income is recognized on accrual basis taking into account, the amount invested and the rate of interest applicable. Interest on tax refund is accounted for on receipt basis.

BHARAT NIDHI LIMITED

Notes to the Financial Statements for the year ended March 31, 2025

d. Investments

Investments held by the Company with an intention to hold the same on long term basis have been classified as long term investments. The long term investments are valued at cost of acquisition, as reduced by provision for diminution in their respective values. Provision for diminution in value of investments is made only if, in the opinion of the management, such decline is other than temporary and is provided for each investment individually.

The current maturities portion of long term investments is shown as Current Investments. Current Investments are carried at cost or market/ quoted value whichever is less.

On disposal of an investment, the difference between the carrying amount determined on average cost basis and the disposal proceeds, net of expenses, is recognized in the Statement of Profit and Loss.

e. Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise Cash at bank, Cash on hand, Stamps in hands and demand deposits with bank with an original maturity of three months or less from the date of acquisition.

f. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

g. Property, Plant and Equipment and Depreciation

Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost includes all incidental expenses incurred to bring assets to their present location.

Depreciation on property, plant and equipment has been provided for on written down value as per rates arrived at based on Useful life and manner prescribed under Schedule II of the Companies Act, 2013. Depreciation for asset purchased/sold during the year is proportionately charged.

h. Inventory

There is no inventory of publications as all unsold publications are returned to the Publisher and the purchase and sale of publications is accounted for on the basis of net sales only.

BHARAT NIDHI LIMITED

Notes to the Financial Statements for the year ended March 31, 2025

i. Tax Expense and Provision for Taxation

Tax expense comprises of current tax and deferred tax. The provision for taxation has been made on the basis of the assessable profits determined under the Income Tax Act, 1961. The current charge for income tax is calculated in accordance with the Provisions of Section 115BAA of Income Tax Act, 1961.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

j. Provision and Contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

A disclosure for a contingent liability, if any, is made by way of a Note, when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation can not be made.

k. Employee Benefits

Employee benefits have been recognized in the following manner:-

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus, ex-gratia and short term compensated absences etc. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

Post-employment benefits**Defined contribution plan**

Employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both employees and employer make monthly contributions to the plan at a pre-determined rate of the employee's basic salary. These contributions are made to a Trust administered and managed by a recognized Provident Fund Trust under multi employer plans. Contributions by the Company to Provident Fund are expensed in the Statement of Profit and Loss, when the contributions are due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

BHARAT NIDHI LIMITED**Notes to the Financial Statements for the year ended March 31, 2025****Defined benefit plans**

The Company's gratuity benefit scheme is defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is then further discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method.

The Company recognises all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss. All expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of Profit and Loss.

Compensated Leaves

The employees can carry-forward a portion of the unutilized accrued leave and utilize it in future service periods or receive cash compensation on resignation/termination of employment except the amount quantified as current obligation as per the Actuarial Valuation. Since a substantial part of the compensated leaves do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit of such leaves is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

The Company recognises all actuarial gains and losses arising immediately in the Statement of Profit and Loss.

Ex-Gratia

Ex-Gratia to employees is accounted for on payment basis

l. Earnings Per Share

Basic Earnings Per Share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The Company has not issued any potential equity shares, and accordingly, the Basic Earnings Per Share and Diluted Earnings Per Share are same.

m. Impairment of Assets

The management periodically assesses, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the assets net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An

BHARAT NIDHI LIMITED**Notes to the Financial Statements for the year ended March 31, 2025**

impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which the asset is identified as impaired. The impaired loss recognized in prior accounting periods is reversed/adjusted, if there has been a change in the estimate of the recoverable amount.

n. Current and Non-Current classification

All assets and liabilities have been classified as current and non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realized within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.

Information other than the financial statements and Auditor’s Report thereon

The Parent Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the consolidated financial statements and our auditor’s report thereon. We have obtained all the other information prior to the date of this auditors’ report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Consolidated Financial Statements

The Parent Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the Parent Company and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the Parent Company and its associates are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors of the Parent Company and its associates either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure “A” Referred to in clause (f) under the heading “Report on other Legal & Regulatory Requirements” to the our Independent Auditor’s Report of even date on the consolidated financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of Bharat Nidhi Limited (hereinafter referred to as “the Company”) and while its four associates namely Bennett Coleman & Co. Ltd. Vasuki Properties Limited, Mahavir Finance Limited and Times Zenith Private Limited have been audited by other auditors, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

1. The respective Board of Directors of the Company and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

2. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
3. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

4. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports as referred to in sub-paragraph (b) under the heading “Other Matters” paragraph to the our Independent Auditor’s Report read with paragraph 1 above, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

5. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

6. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, the Company and its associate companies audited by other auditors, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Other Matters

8. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the Associate Companies as referred to in sub-paragraph (a) (A) under the heading “Other Matters” paragraph to the Independent Auditor’s Report read with paragraph 1 above, which

are companies incorporated in India, is based on the corresponding reports of the other auditors of such associate companies incorporated in India

9. We are unable to comment on the adequacy of the internal financial controls over financial reporting and operating effectiveness of such controls in so far as it relates to Associate Companies namely Matrix Merchandise Limited and Bennett Property Holdings Company Limited as referred to in paragraph (a)(B) under the heading “Other Matters” of our Independent Auditor’s Report read with paragraph above, which are companies incorporated in India, since no audit reports are available to us, as these are unaudited financial statements.

BHARAT NIDHI LIMITED**Notes to the Consolidated Financial Statements for the year ended March 31, 2025****Note - 1: Significant Accounting Policies****a. Basis for Preparation of Consolidated Financial Statements**

The Consolidated Financial Statements of the Company have been prepared as a going concern under the historical cost convention on accrual basis, unless stated otherwise hereinafter, and in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP). Pursuant to Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Account) Rules, 2014, the existing Accounting Standards as notified in the Companies (Accounting Standards) Rules, 2006, as amended from time to time, have been adopted by the Company and disclosures are made in accordance with the requirements of Schedule III of the Companies Act, 2013 as referred under section 129(1) of the Companies Act, 2013. The Accounting Policies have been consistently applied by the Company and are consistent with those used in the previous year.

b. Principles of Consolidation

The Consolidated Financial Statements consist of Bharat Nidhi Limited ('the Company') and its associate companies. The consolidated financial statements have been prepared on the following basis:

- a) Investments in associates where the Company directly or indirectly through subsidiaries holds 20% or more of the equity of a company, are accounted for using equity method as per Accounting Standard 23 – "Accounting for Investments in Associates in Consolidated Financial Statements" notified by Companies (Accounting Standards) Rules, 2006 as amended. In a case where the associate holds 20% or more of the equity of the reporting company (i.e. reciprocal interest or cross-holdings), the consolidated accounts of the associate exclude the holding of the company in which it is getting consolidated.
- b) The Company accounts for its share in net assets of the associates, post-acquisition, after eliminating the unrealized profits and losses resulting from transactions between the Company and its associates to the extent of its share, through its statement of Profit and Loss to the extent such change is attributable to the associates' profit or loss for the year and through its reserves for the balance, based on available information.
- c) The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- d) The financial statements of the Company and its associates used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31st March, 2025.
- e) As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are prepared in the same manner as the Company's separate financial statements.

The list of associates which are included in the consolidation and the Company's holdings therein are as under:

c. Investments other than in associates have been accounted as per Accounting Standard (AS) 13 on “Accounting for Investments”.

d. Use of Estimates

The preparation of Financial Statements in conformity with Indian GAAP requires management to make judgments, estimates, and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent liabilities at the date of financial statements and the result of operation during the periods.

Actual results could vary from these estimates; estimates and underlying assumptions are reviewed on an ongoing basis. Appropriate change in estimates is made as and when management becomes aware of the changes in circumstances surrounding the estimates. Any revision to accounting estimates is recognized prospectively in current and future periods. The effect of material changes is disclosed in the notes to accounts.

e. Revenue Recognition

Income is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists on realization of revenue at the time of accrual, underlying revenue is not recognized to that extent.

Income from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer.

Dividend income from investments in the shares of companies and Mutual Fund units is recognized as and when the Company becomes entitled to it i.e. after the declaration of dividend by the Investee Company / Mutual Fund. Interest income is recognized on accrual basis taking into account, the amount invested and the rate of interest applicable. Interest on tax refund is accounted for on receipt basis.

f. Investments

Investments held by the Company with an intention to hold the same on long term basis have been classified as long term investments. The long term investments are valued at cost of acquisition, as reduced by provision for diminution in their respective values. Provision for diminution in value of investments is made only if, in the opinion of the management, such decline is other than temporary and is provided for each investment individually.

The current maturities portion of long term investments is shown as Current Investments. Current Investments are carried at cost or market/ quoted value whichever is less.

BHARAT NIDHI LIMITED**Notes to the Consolidated Financial Statements for the year ended March 31, 2025**

On disposal of an investment, the difference between the carrying amount determined on average cost basis and the disposal proceeds, net of expenses, is recognized in the Statement of Profit and Loss.

g. Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise Cash at bank, Cash on hand, Stamps in hands and demand deposits with bank with an original maturity of three months or less from the date of acquisition.

h. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

i. Property, Plant and Equipment and Depreciation

Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost includes all incidental expenses incurred to bring assets to their present location.

Depreciation on property, plant and equipment has been provided for on written down value as per rates arrived at based on Useful life and manner prescribed under Schedule II of the Companies Act, 2013. Depreciation for asset purchased/sold during the year is proportionately charged.

j. Inventory

There is no inventory of publications as all unsold publications are returned to the Publisher and the purchase and sale of publications is accounted for on the basis of net sales only.

k. Tax Expense and Provision for Taxation

Tax expense comprises of current tax and deferred tax. The provision for taxation has been made on the basis of the assessable profits determined under the Income Tax Act, 1961 after considering the applicable tax allowances and exemptions. The current charge for income tax is calculated in accordance with the Provisions of Section 115BAA of Income Tax Act, 1961.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

l. Provision and Contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

BHARAT NIDHI LIMITED**Notes to the Consolidated Financial Statements for the year ended March 31, 2025**

A disclosure for a contingent liability, if any, is made by way of a Note, when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation can not be made.

m. Employee Benefits

Employee benefits have been recognized in the following manner:-

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus, ex-gratia and short term compensated absences etc. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

Post-employment benefits**Defined contribution plan**

Employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both employees and employer make monthly contributions to the plan at a pre-determined rate of the employee's basic salary. These contributions are made to a Trust administered and managed by a recognized Provident Fund Trust under multi employer plans. Contributions by the Company to Provident Fund are expensed in the Statement of Profit and Loss, when the contributions are due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined benefit plans

The Company's gratuity benefit scheme is defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is then further discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method.

The Company recognises all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss. All expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of Profit and Loss.

Compensated Leaves

The employees can carry-forward a portion of the unutilized accrued leave and utilize it in future service periods or receive cash compensation on resignation/termination of employment except the amount quantified as current obligation as per the Actuarial Valuation. Since a substantial part of the compensated leaves do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit of such leaves is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

BHARAT NIDHI LIMITED**Notes to the Consolidated Financial Statements for the year ended March 31, 2025**

The Company recognises all actuarial gains and losses arising immediately in the Statement of Profit and Loss.

Ex-Gratia

Ex-Gratia to employees is accounted for on payment basis

n. Earnings Per Share

Basic Earnings Per Share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The Company has not issued any potential equity shares, and accordingly, the Basic Earnings Per Share and Diluted Earnings Per Share are same.

o. Impairment of Assets

The management periodically assesses, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the assets net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which the asset is identified as impaired. The impaired loss recognized in prior accounting periods is reversed/adjusted, if there has been a change in the estimate of the recoverable amount.

p. Current and Non-Current classification

All assets and liabilities have been classified as current and non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realized within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities shall be classified as non-current.
